

Mission Statement

**Stay with us...the day is far spent."
Luke 24: 29**

**As women of the
EMMAUS / MEMORARE COMMUNITY
we give thanks to our gracious and generous God
for the gifts we have received.**

**In a spirit of loving gratitude we wish
to glorify God
through our healing, compassionate ministry.**

**We share in the MISSION of Jesus
to bring abundant life to God's people.
We offer our gifts in hospitality and love,
so that the liberating message of the gospel
may be proclaimed, may be witnessed,
may be experienced, may be lived.
We invite each person to engage in a process
of wholeness, to integrate life and spirit,
to reverence mind and body,
to ponder God's word, to experience God's love,
just as they are.**

**We provide safe resident experts as well as
vulnerable companions on this journey
of healing, renewing, reconciling, loving.
We encourage our women to become aware
and believe they are truly
"The Word of God spoken only once."
And our MISSION is assured because it is
under the loving care of Mary,
woman, mother, friend, follower of Jesus,
the one whose
"YES" to MISSION changed the world.**
